Welcome to our Charity Investment Program! We're thrilled that you're interested in making a meaningful impact while also growing your investment. In this document, we'll explain how our unique initiative works in simple, easy-to-understand terms.

## 1. *Choose Your Investment*

### Explore your options

You have the choice to invest in either a goat or a sheep, both of which support charitable causes.

### Meet our representative

Get in touch with our friendly representative, Martien de Jong, who will assist you throughout the investment process.

## 2. *Market Updates Every Tuesday*

### Stay informed

Our representative monitors the livestock market every Tuesday.

### Updated prices

We keep you in the loop by adjusting our prices based on the current market rates.

## 3. *Make Your Investment Decision*

### Decide to buy

You can choose to buy animals based on the updated prices.

### Fixed investments

Alternatively, you can send a fixed amount, and we'll strive to purchase livestock at a favorable price for you.

## ***4. Care and Updates***

### **We take the reins**

After your purchase, we ensure the well-being of your chosen animal.

### **Regular updates**

We'll keep you informed about the progress and health of your animal until it's sold.

## ***5: Harvesting the Rewards***

### **Timing matters**

Typically, it takes between six months to three-quarters of a year for the animals to be sold.

### **Profits and decisions**

Once your animal is sold, you'll receive notification of your profits. It's your call – you can choose to cash out your earnings or reinvest in new animals.
